

CAPABILITIES STATEMENT

Reliant Global Technology, Inc. (RGT) is an SBA 8(a)-certified, minority-owned small business delivering mission-driven technology solutions across federal, state, local, and commercial sectors. Founded in 2011 with 15+ years of proven delivery performance, RGT engineers secure, FedRAMP-compliant cloud services, AI-powered data platforms, and enterprise-grade software that transform how agencies operate, decide, and defend.

RGT brings end-to-end technical depth with the agility of a small business and the rigor of a large systems integrator. Our teams embed in client missions, delivering exceptional, measurable, and lasting outcomes.
